St. Bernard's High School educates students to be life-long learners and leaders who will embrace the challenges of the world with courage, integrity and hearts dedicated to service. We do this through our commitment to faith and a strong community of faculty, staff and families who nurture the individual – mind, body and spirit..

Mrs. Anderson

Dear Mrs. Anderson,

From the moment you walked in the STB doors our sophomore year, our lives completely changed. You became our mentor and even a second mother to us with your wise words and spirit. Mrs. Anderson, you are truly one of a kind and significantly made the remainder of our time at STB enjoyable, since you were one of the reasons why we got to stay at STB for the rest of our high school years.

Your dedication to the school and to us will never go unnoticed. This yearbook is for you to enjoy what you built for us in our final year. We can't thank you enough. We love you!

Sincerely,

The Class of 2021

Dear Mr. Constantino,

Thank you for all the tough conversations, pats on the back, dance battles, and advice that you have given us over the past four years. You always steered us in the right direction, never hesitating to let us know what we should be doing. Mr. C, you will always be the best at everything that you do. We will never forget your guidance but most of all, we will never forget the sound of your BOOMING voice. We love you!

Sincerely,

The Class of 2021

A Letter From The President of the Class of 2021

Dear Class of 2021,

We made it! After four years of walking these halls, forming new friendships, and most of all making memories, we have reached the end of our high school careers. It is unbelievable to think of how fast these years have gone by. It's almost as if yesterday was our first day in the building, left to get to know each other in the span of only seven hours, in the form of ice breakers and musical chairs.

Our class has experienced challenges like no other: the transition of our school into a independent institution from the threat of being closed as well as the ravages of the COVID-19 pandemic, cutting our junior year short and leaving us with a senior year that was far from traditional. However, through all of this, we triumphed and become stronger as a result, defining us as a class that can face adversity and win.

My hope for all of you is that you never forget your home at St. Bernard's. The place that brought you a piece of who you are today, the place that taught you some of life's most valuable lessons and the place that gave us each other. We were stationed to be together at this moment in time, in this special building, and that will connect us forever.

This is our yearbook. Pages upon pages filled with our year in pictures that represent precious moments in time. What I ask of you all is to thoroughly enjoy and treasure this book for years to come. It will serve as a personal time capsule for you to look back on, show your future families, and properly honor our senior year.

It has been an honor serving as your class president and I wouldn't trade it for anything in the world!

Your President,

Georgette Mensah-Hayes

A Letter From Your Principal

To the most exceptional Class of 2021,

Well … here we are.

You've made it through one of the strangest and most triumphant four years of not only your lives but St. Bernard's history. Take a breath, do a dance, and pat yourself on the back: you've earned that and so much more.

But this is where the real adventure begins. You are moving on and out into the great wide world, and that move will bring with it some formidable challenges. Don't worry: you are ready for them all. And the ones that you aren't yet ready for, you will grow into, because that is who you are!

Leave your mark on the world just as you have on our community. Be bold, be brave, be silly. But above all, be kind: the world has plenty of "just smart" people, so it's your job to be one of the smart and good ones. You'll do that job splendidly.

I will so miss your smiling faces in the halls -- even your masked and smiling faces. (Hey, I'll take what I can get!) It's going to be hard to carry our beloved school forward without you in it: you, our greatest champions, the class that "got it done." But the world needs you now more than we do, and you, for your part, need it -- need to live out your greatest adventure yet, the ever-evolving saga that is "adulthood."

I can't wait to see what the future holds for each and every one of you.

Come back when you can. Remember you always have a home here. And don't ever forget: we will always be "all in" for you.

With so much love,

Mrs. Anderson

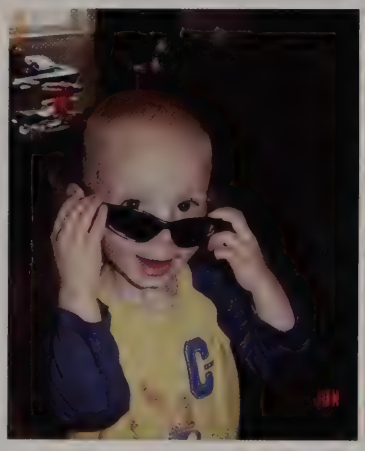
Congratulatory Messages

Kyle Crawford



Kyle,
Everything you have gone through has lead you to this moment. These past four years have definitely been the toughest in your life but you, with us by your side, have pulled through, and we are so proud of the young man you have become.
